

RESILIENCY FLORIDA

March Resiliency Toolkit

Each month, Resiliency Florida features one of the 11 key Resiliency Characteristics as the Characteristic of the Month. This month, Resiliency Florida is spotlighting **critical thinking and problem solving**.

In this toolkit, parents, teachers and school leaders will find a variety of resources to support starting the conversation about **critical thinking and problem solving**, not only in school, but at home.

To learn about the other key Resiliency Characteristics, visit BuildResiliency.org.

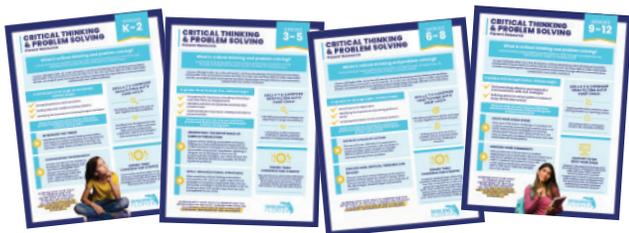

MARCH CHARACTERISTIC OF THE MONTH

 **Critical Thinking & Problem Solving** Gathering information to think through and determine the best solution.
